Rotarians Host District Meeting

Rotary Club of Canyon will host the Rotary International District Institute for District 573, Oct. 6, beginning at 9 a.m. The institute will be held at the Student Union Building on the West Texas State University campus.

Rotarians will register from 9-9:15, with the call to order coming at 9:15.

After the welcome by the district governor, the morning series of programs will begin.

From 9:30-10:30, discussion will concern strengthening the club "Through Membership Growth".

Scheduled to speak in this period are Charles D. Hughes, president of the S & W Rotary Club of Amarillo, Jerry Ratcliff, from the Amarillo Rotary Club and the Governor's Group 1 representative; and William K. Erwin, of the Amarillo Rotary Club.

Beginning at 10:30 and continuing until 11 a.m., Rotarians will hear discussion on strengthening the club "Through Assimilation of New Members".

James T. Sawyer, of the S&W Amarillo Rotary and the Governor's Group III representative, J. Bob Cox of Dumas Rotary, and Don Standley, director of Club service, Canyon Rotary Club, will present discussion during this period.

E. E. Shelhamer, of the Pampa Rotary Club and Group II

representative, will speak at 11 a.m. concerning strengthening the club "Through Rotary Information".

From 11:30-12 noon, J. C. Knowles, president of the Borger Rotary Club will discuss strengthening the club "Through an Improved Club Bulletin".

"Strengthen Rotary in Our District by Organizing New Rotary Clubs", will be the topic given by Jimmy Willson, P. D. G. and Resource Man, from 12 noon-12:15 p.m.

Announcements by the District Governor will be made, followed by a brief recess, at 12:15 p.m.

From 12:30 until 1:35, Rotarians will hold a fellowship luncheon, followed by a program given by Jimmy Willson, on the President of Rotary International.

Group discussion will be held from 2:00-3:45, with the five discussion groups reassembling at 3:30 p.m. for reports from group secretaries.

The district institute is scheduled to adjourn at 4:00 p.m.

Rotary Clubs slated to participate in the Institute are Amarillo, Borger, Canadian, Dalhart, Dumas, Floydada, Hereford, Littlefield, Lockney, Memphis, Muleshoe, Pampa, Panhandle, Perryton, Plainview, Ralls, Shamrock, South and West Amarillo, Sudan, Tulia, Wellington, and the host club, Canyon.

Umberger Folks Seek Merchandise

Merchandise for the Umberger Sausage Festival is needed, and local merchants have been asked to donate articles this week.

Deadline for donating the items has been set for Saturday, Oct. 3.

Merchants wishing to give to the drawing, which will be held Nov. 8, should contact Math Albracht at GY 9-2104 or Vince Ramecker at GY9-2121.

The festival will be held in the school auditorium-cafeteria all day Nov. 8.

Judge Doubts CPA Will Work Cheaper

Randall County commissioners Monday told Judge Cene Jordan that they think the county auditor's office is costing too much.

County Auditor E. T. Cummings draws \$6,562.50 annually while his secretary receives \$3,652.

Judge Jordan, who has the responsibility of hiring an auditor and setting his salary, said he will be able to get the county's bookkeeping done for less money but he doubts that he will be able to employ a certified public accountant at a lower salary.

Judge Jordan said Cummings receives the same salary as that of the tax assessor-collector. He said this is a practice followed all over the state.

Commissioners Clarence Beckman and Glenn Dowless said commissioners court attempted to discuss the auditor's office with Judge Jordan several years ago but felt that they had been "cut short" by the judge. Judge Jordan said this had not been intentional on his part.

Commissioner Beckman said the cost of getting the books audited used to be \$1500 to \$2000 a year. "Now it's about \$10,000," he declared.

Judge Jordan assured mem-

bers of the court that he would be able to get the books kept cheaper but doubted that he would be able to hire a CPA for less than Cummings draws.

One commissioner complained that the auditor spends too little time at his office in the court house.

Beckman told Judge Jordan that the court turned Cummings down on a request for a secretary. "You (Jordan) hired an assistant," Beckman said.

Judge Jordan said that secretarial help is necessary in the auditor's office.

Judge Jordan asked the commissioners what they would like for him to do about the auditor post.

"We don't want him fired," one commissioner declared.

Commissioner Bill Butler told the judge that the commissioners merely are trying to get the auditor's post filled at a reduced price.

Judge Jordan agreed to discuss the matter with Cummings. Any action is awaiting this discussion.

The district judge again recommended an outside audit of the county's books. Judge Jordan previously had made such a recommendation through the grand jury.

Cummings was hired as county auditor in 1953 by District Judge Henry Bishop at an annual salary of \$4500. He was raised to \$5200 in 1955 and to \$5720 in 1956. He was raised to \$6250 in 1961 and to his present salary of \$6562.50 last year.

In the beginning the auditor furnished his own office help. A secretary was employed for his office in 1960 at an annual wage of \$3000. Her salary was increased to \$3360 in 1961 and to \$3654 in 1963.

In other action, the court approved the hiring of John E. Bowden to replace Ray Welch as an assistant in the office of the tax assessor-collector.

Bowden was with the West Texas State business office for 13 years before his retirement

Happy High Homecoming Set Friday

More than 2500 persons are expected at the annual Homecoming activities Friday at Happy High School.

The larger part of the Cowboy supporters are expected at the 3 p.m. game when Happy meets the Kress Kangaroos in Cowboy Corral.

Official activities begin at 2:30 p.m. Friday in the school cafeteria. A business meeting of all exes will be held at 2:30 p.m. followed by a pep rally at 3 p.m.

Cheerleaders will lead the program, which will include the crowning of the Homecoming Queen, selected by the Happy High School student body.

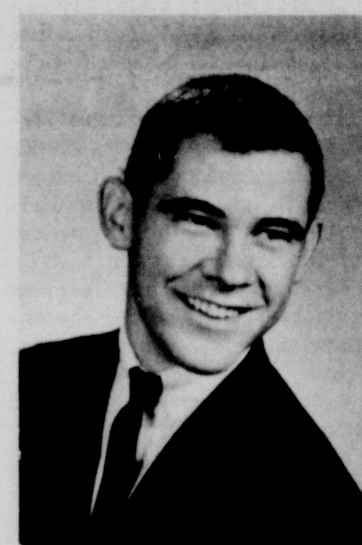

Candidates for the title are Jeanne Tiley, Kay Harvey and Judy Sexton, all seniors at HHS.

Homecoming program will be at 3:30 p.m. with honored classes being introduced. The honor classes this year will be the classes of 1914-24-34-44-54-64.

Special guests will be members of the 1924 baseball team. All but one team member are expected to attend the day-long activities.

Following the program a dinner will be served at 5:30 p.m. in the school cafeteria, with the game scheduled for 8 p.m.

Homecoming chairman, Mrs. D. L. Allison, said more than 750 invitations have been sent to alumnae of Happy High School and teachers who formerly taught in the Happy school system.

this week.

The semifinalist group is composed of the highest scoring students in each state and in United States territories. Students must now take another qualifying test in order to rank as a finalist.

Merit scholars are selected from the finalist group. In past years, about 98 percent of the semifinalists have become finalists. All finalists receive a certificate of merit in recognition of their outstanding performance in the program.

Finalists will be eligible for scholarship awards sponsored by NMSC and about 230 business corporations, foundations, colleges, unions, trusts, professional associations and individuals.

Names of the merit scholars will be announced April 28, 1965.

Pittard, who is on the merit honor roll, was born in Raton, New Mexico, and moved with his family to Canyon before his

School Voters Okay Bonds 4-1

A \$750,000 school bond issue passed by a smashing margin of more than four to one here Saturday.

The vote was 397 for and 32 against. Here at Canyon the vote was 309 for and 29 against. In the South Amarillo box the vote was 88 for and 3 against.

Voting in Canyon was done at Legion Hall. The C. M. Purcell home served as a polling

Grazing Prospects Brighten

Prospects for wheat pasture for fall grazing improved considerably with the recent rains in and around Randall County, reports John Brazzil, county agent.

Brazzil pointed out this week that wheat seeded in late August and the first few days of September should now develop good top growth and a good root system to withstand grazing.

"Much of the wheat remains to be seeded. Conditions are very good for planting and moisture is generally adequate for good planting conditions and quick emergence," Brazzil explained.

He reported much of the fall wheat acreage will be on fallowed land. Some delay in grazing may be necessary when wheat is grown on acres diverted from feed grain production.

"Grain sorghum yields should be substantially increased by the timely rains. Earlier predictions of a very short dryland crop must be revised to an average or near average crop in many communities," he continued.

The late-planted hay crops could yield a near adequate winter roughage supply if frost is delayed, he related.

Canyon received a reported .37 inches of rain Saturday and

Idle Combines

Combines stand idle, helpless and unmanned here after rains caused the fields to be too wet for combining maize. Farmers have been unable to find the fields dry enough to combine,

but earlier this summer the fields were so dry that Canyon area was classified as a drought region. It's been a difficult year for the farmers of the area who can't seem to catch the right weather at the right time.

City Dads Eye Petition For Hunsley Hills District

Arch Hunsley, developer of Hunsley Hills north of Canyon, requested permission from the Canyon City Commission Monday night to form a water and sewer district in the Hunsley development.

Hunsley said property owners and residents in the development wish to form a district in order to provide better water and sewerage facilities.

According to an act passed last year for municipalities, an area adjacent to a town and within a mile of the town must ask permission of the town to form a district.

Hunsley explained to com-

missioners that two sections north of town would be involved in the organization of the district. He said that details of the district had not developed.

"We would need some preliminary plans before I would give my okay to the district," Commissioner Paul Lindsey said.

"We can't begin to make plans until you give your approval," Hunsley reported.

"We would have to have some idea as to what you planned for the area before we could give approval," Lindsey continued. Commissioners accepted a petition presented by Hunsley, and said further investigation of the matter would follow.

In other action Monday, commissioners voted to drill two new water wells in the Umberger well field and agreed to purchase a by-pass and a chlorination system for the city.

Dewey Bryant, city manager, was authorized to advertise for bids for the new items.

Parades in Canyon will follow another route by official vote of the commissioners.

The parade route will be down Fourth Avenue only. In the past, parades have wrapped around the square and down Fourth Avenue.

Additions to the city barn were okayed by the commissioners and they voted to begin work on the new plans.

Bryant was authorized to advertise for bids for an all-steel building 100 X 30 feet and 100 X 40 feet in size.

The building will have five 20-foot stalls and no floors,

Scout Leaders Meet Tuesday

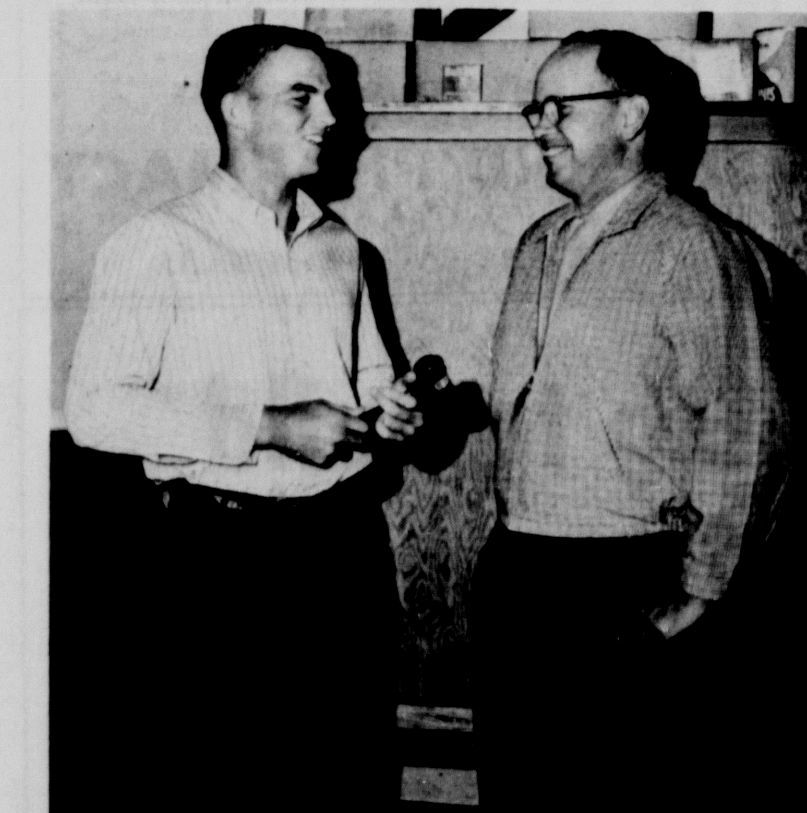

Majors and captains for the annual Boy Scout fund drive will meet today, Thursday, at 10 a.m. in the Canyon High School cafeteria.

Gene McGlasson, drive chairman, said plans for the campaign, which begins Oct. 19 will be discussed during the hour-long meeting.

The kickoff meeting for the drive will be held in the Legion Hall at noon, Oct. 19 with all workers invited to attend.

Prospect cards will be handed out at the dinner, and workers will have that work to contact the persons named on their cards.

The first report of the workers is due Oct. 23, McGlasson said.

New District Prexy

Jim McManigal, left, new president of the Plainview district of the Future Farmers of America, and Lee Moore, district supervisor, discuss plans for the district FFA. McManigal senior at Happy High School, was elected at the annual meeting last Tuesday in Lockney. He is a starting fullback for the Happy Cowboys, vice-president of the senior class and president of the local FFA chapter. Moore is FFA sponsor and agriculture instructor at Happy High School.

Haley Book Sales Soar

J. Evetts Haley this week said sales of his book, "A Texan Looks At Lyndon," have reached 8,000,000 copies.

Haley said this includes sales to date and firm orders.

Haley, already a prominent figure on the Texas scene, was vaulted to national prominence when his book on the President rolled off the press.

His book has been publicized by most of the national news magazines and attacked by several nationally syndicated columnists--notably Drew Pearson.

Annual Autumn Home Tour Sunday

Seven homes in Canyon will be presented to the public Sunday afternoon for the annual University Study Club home tour.

Beginning at 2 p.m., the tour will include homes of seven families living in and around Canyon. The tour will end at 6 p.m.

Tickets are \$1 and may be purchased from club members or at any home on tour Sunday.

Homes on tour this year include the Marshall Rockwell, Jr., residence, north of Canyon on the E-Way. The home is just south of Stuckey's on the east side of the highway.

The Rockwell home has a special feature of a basement,

an unusual addition to most homes in the Texas Panhandle. J. Keith Jones family home, located at 2417 Eighth Avenue, will also be on the tour. The three-bedroom house will feature a large yard with unique furniture throughout the living area.

Also on view will be the James Cole home, 413 Taylor Lane, with a breathtaking backyard.

Mr. and Mrs. Duane Howard, 2408 Tenth Avenue, will show their two bedroom home during the afternoon Sunday.

The Howard home has several pieces of furniture which Mrs. Howard has refinished. Another special feature of the home is the large backyard with playing area for the neighborhood chil-

dren. Mr. and Mrs. J. D. Barker will greet guests to their modern home at 904 14th Street in Canyon. The Barker home has a special music room designed for piano students of Mrs. Barker, and a large back porch overlooking a beautifully landscaped backyard.

In Hunsley Hills, Dr. and Mrs. James Russell, 20 Hunsley Drive, will host visitors as they tour their lovely home. The large livingroom with a comfortable carpeting is a show place for a warm fireplace.

Tour guests will enjoy the spacious home of Mr. and Mrs. W. E. Williamson, 17 Southridge Drive in Hunsley Hills. The

split level home highlights the afternoon tour.

Refreshments will be served at the Howard residence during tour hours.

Proceeds from the home tour will be used for donations to community projects. A style show is held each spring by the club, and money raised from the show is also used for local projects.

The club has donated \$100 to the local PTA Community Piano Fund, \$75 to the C. B. Cable family fund and \$500 to the Girl Scout building fund. The Randall County Library was given \$100 for the purchase of new books, and money was given to the Panhandle-Plains Historical Museum.

FROM THE
CANYON RIM

The latest rumor to reach our desk is that J. Everett Haley, Sr., can expect to be arrested in the not too distant future. Our informant says the charges will stem from Haley's book, "A Texan Looks at Lyndon."

The name of a downstate newsman was given to us as one of the leaders in an effort to bring charges against Haley in connection with statements made in the book.

We talked to this newsman and he denied any knowledge that such plans are in the offing.

The man finally declared that he had asked the district attorney in his county if some of the statements in Haley's book were libelous.

"I asked merely from a news standpoint," he asserted.

The newsman to whom we talked is active in politics. "I am a Democrat and I'm for Lyndon," he declared.

Contacted early this week, Haley said he had heard nothing of the rumor of his impending arrest. He declined comment.

In the meantime, Haley is involved in a feud with several columnists—including Drew Pearson—and has taken the brunt of attacks from a number of nationally known publications.

Through it all, Haley gives the appearance of enjoying himself immensely.

This column has been chastised and sometimes ridiculed for its efforts to point up the dangers of the communist front.

However, J. Edgar Hoover, FBI chief, agrees with us that the communist front is a clear and present danger on the college campuses of America.

Here is an excerpt from a letter we received this week from the FBI chief.

"This academic year will undoubtedly see intensive Communist Party efforts to erect its newest facade on the nation's campuses to draw young blood for the vampire which is international communism. In its continuing drive to attract young Americans, the Communist Party USA spawned a new national Marxist youth organization in June, 1964—the W. E. B. DuBois Clubs of America."

We were told only last week that we have a reputation of "being one sided on that left wing stuff". We are happy to have such a reputation. We've worked hard to build it.

It looks like a gloves off affair between Governor John Connally and Senator Ralph Yarborough. Connally announced Tuesday that the Texas Department of Public Safety would continue to probe the Billie Sol Estes case.

He pledged that the DPS would not be used politically but the governor is not so naive as to assume that DPS findings, if any, would be without political impact.

Democrats in this area are steering clear of the party's vice-presidential candidate as though the Minnesota senator were afflicted with the plague. The Democratic headquarters in Amarillo is labeled the LBJ-Democratic headquarters.

Pictures of Lyndon Johnson, John Connally, Walter Rogers and even Ralph Yarborough are prominently displayed. Conspicuous in its absence is any picture of Hubert Horatio Humphrey.

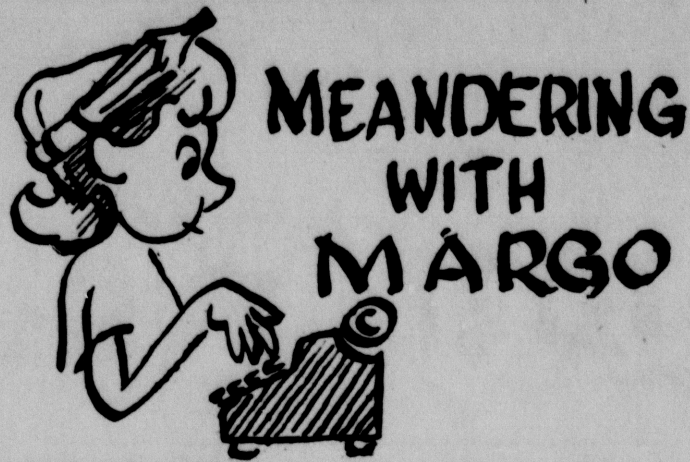

The same thing is happening on the Republican side of the ledger. Party unity is a precarious thing this year.

As an aftermath of Nov. 3, we may see political party membership become a matter of political philosophy rather than one of tradition.

We have not seen the surface political fervor here in Canyon that we witnessed during the 1960 campaign.

We believe people feel more deeply this year than they have in past campaigns and they are not as willing to talk about it.

Mr. and Mrs. Wayland Angel and children were in Lubbock over the weekend to visit with Mrs. Angel's sister, Mr. and Mrs. Ray Lowry. Accompanying the Angels to Lubbock were Mrs. Angel's mother, Mrs. Mary Bullard, and sister, Mrs. Ruth Dotson.

MEANDERING
WITH
MARGO

One bright spot in football news this week...Oklahoma University has an open date Saturday. After their lashing Saturday by Southern California, they need a rest...then Texas next week.

Happy won, and hope to take another one this week against Kress. Kress has faced some tough teams this year, but this will be a Homecoming crowd for the Cowboys, and they may be sparked for a victory.

School vote was a good one. The need for more additional space in the high school and the elementary school seems to be quite apparent, and local voters gave their approval.

The bonds voted will be used for a new elementary school in south Amarillo and 10 additional rooms to the present high school building.

Seems like more kiddos enroll each year, more graduate, more enroll in colleges, more get married, and more have babies who soon enroll in nearby schools for the educational process.

Continuous wheel, the only difference is that they seem to get smarter at an earlier age these days.

Jaycees Set
Orientation

Plans are being made for the Junior Chamber of Commerce-Jaycee-ette orientation to be held Oct. 5 at 8 p.m. in the Hunsley Hills Clubhouse.

The Jaycee program will be presented by the Amarillo Jaycee Orientation Team.

Women from the Pampa Jaycee-ette Orientation Team will present the Jaycee-ette portion of the program. Mrs. Bill Rogers, Texas state Jaycee-ette vice-president from Amarillo, will also be on the program.

The committee of local Jaycee-ettes working on the orientation consists of Mrs. Charles Marshall, chairman, Mrs. Delbert Turk, Mrs. Jackie Whitley, and Mrs. Allen Parson.

Nick Dodson is serving as Jaycee chairman for the orientation, assisted by Richard Pruett, Jaycee president.

Refreshments will be served following the program. All members and interested persons are invited to attend.

Capital Sugar
Second In Show

Capital Sugar, a mare foaled this year, placed second place in the quarter horse competition at the Tri-State Fair this last week.

Bob Wilkinson, owner of the horse, is from Canyon and has shown the horse in several shows throughout the country.

Going somewhere? Or been? The Canyon News wants to know about it—and so do its readers.

City commissioners were discussing a fire ordinance Monday night which would put stricter regulations on fire zones 1 and 2 in town.

Paul Lindsey caught one clause in the proposed ordinance which said any building in fire zone 1 or 2 which was destroyed at least 50 per cent by fire, decay or other process would have to be torn down and rebuilt.

They decided this just couldn't be, because chances are some buildings receiving only 50 per cent damage might be rebuildable. So they decided to check into that further, and went on to another point.

This time they ran into a severe clause which they all shook their heads about.

The clause said that if 10 per cent of a roof in either zone was destroyed then a non-combustible roof would have to be put on the entire building.

Commissioner Jack Haley pointed out that minor hail damage each summer could cause more than 10 per cent damage to every roof in town, thus making every business in town have to replace their present roof with a fireproof roof.

The commissioners began to check and found out that only one business in town presently had a non-combustible roof.

"I can see someone having to replace a roof, and it costing more than the rest of the building," Haley said.

"I can see where a fire might destroy 50 per cent of a building, and the roof in the process receiving 10 per cent damage. The roof on the new building, which would have to be built, could conceivably cost more than the entire new building," Lindsey laughingly pointed out.

Needless to say, the city dads took the matter under consideration before taking any further action on the new ordinance.

Science Symposium Is Oct. 10

A one-day Nuclear Science Symposium, featuring five outstanding speakers, has been scheduled for area high school students here at West Texas State University Oct. 10.

Approximately 500 high school chemistry and physics students are expected for the program, which is sponsored by West Texas State in cooperation with the Southwestern Public Service Company and the Texas Atomic Energy Research Foundation.

The symposium will open at 9 a.m. in the Student Union Building.

Speakers are Dr. Henry C. Thomas, chairman of the physics department at Texas Tech; Ralph Tuckfield, experimental physicist of the General Atomic Division of General Dynamics Corporation; Dr. Alfred A. Kraus, project director in physical sciences at WTSU; Dr. R. E. Wainerdi, assistant dean of engineering at Texas A & M University; and Dr. John Bradford, dean of the School of Engineering at Texas Tech.

COUNTY AGENT'S
COLUMN

Tasosca wheat proved to be the leading milling wheat at the Wheat Show at the Tri-State Fair. Wheat samples from most of the wheat growing counties in the Texas Panhandle were milled and baked to determine the wheat quality. Tasosca wheat, a Texas bred wheat, won more than 90% of the placings. Other varieties placing in the top group were Kaw and Caddo.

In addition to being an excellent milling wheat, Tasosca proved to be the top yielding wheat at the Southwestern Great Plains Experiment Station at Bushland in their test work in 1964.

Conflicting reports on sorghum midge control from research sources are being released. Recent work from Texas A & M University research entomologists show that tillage methods on grain sorghum stubble known to contain midge larvae did not prove to be a major factor in control. They still recommend early planting in the south plains counties until more basic research has found better control methods.

A case of screwworms has been found in Briscoe County. This isolated case is the first one found in this West Texas area in 1964. Livestock producers are urged to report any suspicious cases and to save a worm sample for positive identification.

Out In Left Field

Senator Hubert Humphrey's close association with the ultra-liberal Americans for Democratic Action has been the cause of much criticism on the part of his Republican opponents, but this criticism is being shed like water off a duck's back by the senator from Minnesota.

Far from being apologetic about his position as a founder and staunch supporter of the ADA and its program, Sen. Humphrey is proud of it. It seems strange to a lot of people out here with conservative political leanings, but in a great many parts of the country it is fashionable to be a political liberal.

The Democratic Party, in its recent national convention and in its platform adopted for the past several conventions, has demonstrated a liberal stamp, with the ADA influence strongly felt.

The ADA position has been that security is found through government controls and that a managed society is best for all concerned. The ADA position is outlined in the ADA World, official publication of the organization, when it says "We believe serious consideration should be given to the adoption of federal price, rent and wage controls."

"We advocate enactment of a universal health insurance program."

"We recommend federal construction and operation of atomic electric power plants."

ADA would discontinue Communist investigations and says "We urge that the Un-American Activities Committee of the House of Representatives be discontinued, and we also oppose the Compulsory Testimony Act of 1954."

ADA would not outlaw the Communist Party. "We oppose any legislation outlawing any political party. We urge the abolition of the Attorney General's list of subversive organizations."

ADA would recognize Red China and admit that nation to the UN. "We urge immediate initiation, together with our allies, of negotiations toward diplomatic recognition of the Peiping regime and its accreditation to the United Nations as the government of China."

"We also urge free trade with Red China, the removal of all trade and passport barriers and surplus food shipments to this nation."

ADA advocates no attempt to liberate Cuba, but says "We should welcome the Castro regime into the South American Alliance for Progress."

These things we regard as not only liberal, but socialist and extremely dangerous positions as far as the security and future of this nation is concerned.

And we don't mind stating that we feel sick at the stomach over the prospect of ever turning over the presidency of this country to a man committed to such left wing, socialist leanings.

Farmers Union Officers
Named, To Serve Again

Current officers were re-elected at the regular meeting of the Randall County Farmers Union Tuesday evening at the Junior Livestock Barn.

Serving as president again this year will be Eugene Lamb of Vega. C. T. Henry will serve as vice-president, and Lindell (Rick) King as secretary. Both Henry and King are from Canyon.

K. E. Moss, state field representative spoke briefly to the group, and then introduced Lyle Robinson of Swisher County manager of the Rural Electric

Co-op. Robinson spoke on rural concerns, with special emphasis on R. E. A.

David Matthis of Canyon was also a visitor at the meeting. Matthis announced the scheduled banquet for Ralph Yarborough, set for Oct. 6 at 7:30 p.m. in the Vic Mon in Amarillo.

Twelve delegates and alternates were selected to attend the state meeting in Austin in December.

Around 60 persons attended the meeting, and were served refreshments of spudnuts, coffee and cold drinks.

John Williams and Tom Brasher have returned from a week spent at Navajo Lake in New Mexico, with the Pearl Lakes Trout Club of Colorado.

Troy,

Your Editorial on tariffs was excellent. The problems of the farmer and the rancher will not be solved by protective tariffs either. Their problem is over production by industrial methods against an inelastic market. This problem cannot be solved by individual effort, because if a dozen farmers voluntarily reduced wheat acreage another dozen would increase. Nor can it be handled by state and local governments. It must be Federal, and happily it is tied to soil conservation that preserves productive capacity that we will need some day.

Your editorial on the John Birch Society deserves a straight answer. What is wrong with the John Birch Society... First, it is a secret organization. A man may proudly wear an American Legion pin or cap in public. Second, it is monolithic and not democratic. Its founder felt that the urgent need for ends justified the means. Hitler preached the same. Third, included in the search

for Communists are those who differ with the political philosophy of the extreme right wing. I am sure that there are in the world in and out of this Country many persons whose avowed purpose is to spread the principles of Communism throughout the world and by overthrowing established governments, but their actual number is not as great as the John Birch Society represents in its films and literature. Nor is Communism so successful. Actually it is failing. Even Russia, the citadel of Communism, is changing to our principles as fast as they can. Fourth, the John Birch Society has opposed the Supreme Court for its sincere efforts to preserve certain rights for all citizens, misrepresenting this as "soft on Communism". Fifth, the John Birch Society literature does not hold to true reasoning but bends truth with a paranoid bias that influences many people who have limited critical ability, thus undermining our democratic society. And, sixth, the extremism is not good. As Aristotle taught, it is wise to avoid extremes and keep to the middle way. Extremes lead to violence away from reason.

I enjoy the Canyon News, and I know how fortunate Canyon people are to have such an excellent medium.

Kind regards,
W. E. Lockhart, M. E.
(Do you consider Americans for Democratic Action an extremist group? How about a straight answer to that. TFM).

University Prepares Homecoming Plans

"A Chance to Visit" is the general theme chosen for Homecoming at West Texas State University this year. Homecoming activities are scheduled Oct. 16 and 17. "Texas Myths and Legends" has been chosen as parade and decorations theme during Homecoming.

Planning the events for the two days are members of the Homecoming Committee, including Dr. Jack Walker, chairman; Boone McClure; Dr. Ruth Lowes, Zell SoRelle, Bill Lee, Vaughn Vandergriff, J. W. Foust and Price Pritchett.

Other chairmen, headed by Dr. Walker, include McClure, in charge of the barbecue; Dr. Lowes, registration; Dr. Caballero, decorations; SoRelle, dance; Larry Elms, assembly program; and Vandergriff, clubs and class reunions.

Sixteen class reunions have been planned during Friday's and Saturday's activities. The Class of 1939 will celebrate its Silver Anniversary.

Other class reunions are scheduled for the years 1939-41, 1947-51, and 1957-61.

University students will elect a Homecoming queen Wednesday, Oct. 14. She will be crowned at the Homecoming Assembly slated Friday at 11 a.m. in the Administration auditorium.

Open houses are scheduled in various University departments Saturday, Oct. 17.

J.N. Gressett Joins Navy

Johnny N. Gressett, USN, son of Mrs. Lillian Gressett, Canyon, has begun nine weeks of basic training at the Recruit Training Command, Naval Training Center, San Diego, Calif.

During his early days of training he will receive a series of aptitude examinations to determine which of the Navy's 65 specialty fields he will enter on completion of recruit training.

Physical fitness training, drill, naval customs and courtesies, water survival, first aid, personal hygiene, marlin-spike seamanship and general naval orientation will highlight the first three weeks of his transition from civilian to military life. The large-scale instruction program at Recruit Training Command features both live instructors and closed circuit television.

The center trains 68,000 sailors each year in its Recruit Training and Service School commands.

One of the highlights of the living area of the James L. Cole home, 413 Taylor Lane, is this beautiful square grand piano. The Cole residence will be one of the homes on tour Sunday sponsored by the University Study Club. The tour will be from 2-6 p.m.

Vows Unite WT Couple

In a double ring ceremony solemnized Sept. 12 in the First Methodist Church, Miss Elizabeth Whitehead became the bride of Vance Smith of Amarillo.

The bride is the daughter of Dr. and Mrs. R. N. Whitehead of Dumas. Parents of the groom are Mr. and Mrs. P. L. Smith of Cactus.

Mrs. Smith is a graduate of Dumas High School and received her B. S. degree from West Texas State University in May. She is a member of Alpha Delta Pi social sorority.

Her husband is a 1955 graduate of Dumas High School, was a member of the United States Air Force, and attended West Texas State University. He is employed in Amarillo.

The Rev. Clifton Trotter, pastor of the First Methodist Church of Dumas, was the officiant at the ceremony.

Miss Judy Whitehead, sister of the bride, attended her sister as maid of honor in a two piece gold and black wool suit with black accessories.

Best man was Johnny Whitehead, brother of the bride.

Given in marriage by her father, the bride wore a three piece white brocade cotton suit and white satin shoes. Her headpiece was a white hat with a bluish veil. Her bouquet consisted of carnations atop a white Bible.

Following a wedding trip to New Mexico, the couple is at home at Apt. 236, Heritage House, Amarillo.

WOW's To Keep Contest Going

Mrs. Tommy Tucker hosted the meeting of the WOW's on Monday evening.

Weighing in were six turtles, for a total loss of 8 1/2 pounds, 4 sitting ducks, without a lost pound, and 9 pigs, with a gain of 1/2 pound.

Each week members are classified as hares, turtles, sitting ducks, pigs, or hogs, according to the weight lost or gained.

All fines for weight gain are placed in a large Pig bank. Members with the greatest weight gain custodian of the pig until the next meeting.

New officers of the WOW's will be elected at the next meeting, to be held Oct. 5 at 7:30 p.m. in the home of Lou-dene West.

A previous meeting of the WOW's was held Sept. 22 in the home of Mrs. Ruth Ann Bril-

Woman's Book Club Members Honored

The Woman's Book Club of Canyon opened the club year with a tea honoring three of their members Wednesday of last week.

Mrs. K. E. Hines, president, hosted the tea and meeting in her home.

Honored were Mrs. C. R. Burrow, the only charter member of the club still active, and Misses Edna Graham and Darthula Walker, who are moving from Canyon.

The Woman's Book Club is the oldest senior federated book club in Canyon. It was begun in 1906 and joined the state federation in 1915.

Mrs. T. B. McCarter expressed appreciation for the club for the work of these women.

Mrs. L. H. Brotherton, program chairman, presented the program for the year. The study will be "Bridging the Gap".

Modern trends in the fields of art were discussed by Mrs. Michael Morris.

Members attending the meeting were Mesdames Alfred Bel-lah, Claude Boatman, L. H. Brotherton, C. R. Burrow, Henry L. Calder, H. T. Carr, Ray Campbell, H. E. Campfield, S. H. Condon, James P. Canyon Film Series To Begin At Olympic

Canyon Community Film Series opens Wednesday and Thursday with "Lord of the Flies" to be shown at the Olympic Theatre.

"Lord of the Flies", directed by Peter Brook, is a British film from 1963.

Based on William Golding's best-selling novel, "Lord of the Flies" features a cast of 40 non-professional schoolboys headed by James Aubrey, Tom Chapin, Hugh Edwards, Roger Elwin and Tom Gaman.

The picture is a faithful counterpart of the novel which narrates the British schoolboys' turn towards savagery while marooned on an uninhabited island.

The boys, evacuated from their homeland during an atomic war, are stranded on the deserted island without any adult supervision.

The gradual loss of innocence as the veneer of civilization cracks and gives way to primitive rituals leads to a climax of death and disorder.

Movie director Brook wrote a screenplay directly from the novel. Filming was done in Puerto Rico, principally on the High School and College youth by the hundreds are finding new life, new ambition, and new hope in Dr. Hill's booklet, "I Hold the Key". Available at all Canyon bookstores.

Miss Womack RG Advisor

Alice Womack was installed as worthy advisor of the Rainbow Girls in Happy last week.

Miss Womack, a student at Happy High School, picked gold and green as her colors and "Everlasting Life" as her theme.

Other officers installed last week were Angela Airhart, Sharon Johnson, charity, Kay Harvay, hope; and Barbara Wesley, faith.

Miss Womack's flower was the yellow rose.

The organization will meet every first and third Monday at 7 p.m. each month.

Eagles Hungry For Bobcat Stew Friday

"Bounce those Bobcats" is the cry of Canyon High School's Eagles who travel to Childress for the 8 p.m. battle Friday.

"They're big," said Canyon head coach Jeep Webb of the Childress squad. "They're probably the largest team we will play this year."

Webb reported that the Bobcats had been plagued with injuries this season and will go into the game without starting quarterback Mike Reeves.

"They lost their second string quarterback with injuries at the first of the season but he should be back," said Webb.

Eagle feathers remain unruffled following last weekend's loss to powerful Phillips High School 39-7.

"We were pleased with some of the kids at times. We thought they played some good football," said Webb of the Phillips game.

"We felt we had a lot of effort out of the boys."

"The boys are feeling pretty good this week," he continued. On the injury list, Webb named George Cox. "George is still hobbling around," he said, "and I doubt that he will play."

The Eagles have concentrated this week's practice on defending Childress' offensive variations.

Webb reported that the Bobcats use "T", wing-T, double wing, short punt and pro-set type formations. Childress mixes its attack. "They do a pretty good job passing and on the ground," said Webb.

The Bobcats have compiled a 1-3 season record. They took a 21-7 drubbing from Floydada last weekend. Canyon, standing 0-3 this year, lost to Floydada 9-7 in the opening game.

Probable Canyon starters include Stephen Hines, Jerry Davis, Alex Gordon and Dennis Butler.

Canyon "B" Suffers Loss

Canyon High School "B" team fell to Dalhart 40-22 last week at Dalhart after watching a first quarter lead fade.

The "B" gridders were riding on a 14-8 early margin before both starting halfbacks suffered injuries to take them out of the game.

The blow was too much for the spunky team whose efforts were unable to pull them ahead of the tough Dalhart squad.

Injured in action were Jack Stevens and Art McArnary. Coach Roy Kieval said that McArnary, who suffered a broken ankle, will be out for the remainder of the season.

Scoring for Canyon came from McArnary and Stevens, with two tallies apiece. Don Howard caught two extra-point passes.

Standouts on defense included Stephen Hines, Jerry Davis, Alex Gordon and Dennis Butler.

In addition, 34 new members

Officers of the Canyon High School chapter of Future Teachers of America were installed Monday night. Serving as president and vice-president for the coming year are Sally Nester, center, and Linda Salmon, right. They are shown with their sponsor, Miss Mary Carter. Mrs. Bessie Ellis is also a sponsor for the group.

New FTA Officers Installed

New officers of the D. A. Shirley Club of Future Teachers of America at Canyon High School were installed in ceremonies Monday evening.

Kay Fields, president of District IX, FTA, from Claude High School, installed the new officers.

Installed as president was Sally Nester.

Other elected officers installed were Linda Salmon, vice-president; Cindy Taylor, secretary; Beth Jarrett, treasurer; Janice Eudy, parliamentarian; Shirley O'Donald, historian; and Janie Fisher, registrar.

Since being in Canyon, the semifinalist has become a member of the varsity tennis team, and was a member of the doubles team which won district last spring.

He received a history medal in competition at West Texas State University. Pittard wrote a poem, "Thoughts", which will appear in a poetry publication this fall. He is also a member of the CHS Choir and Thespians.

Pittard ranked in the top one per cent of the nation of high school seniors as did all semifinalists in the national merit scholarship competition.

Gene Vaughn Morrison and Carolyn Uphaw were picked as joint winners in the high school division. Dorothy Ann Higdon sold the largest amount of memberships of any university student.

Commissioners approved a request of Knox Parr, highway department representative, to swap .861 acres of land which has been used as a borrow source for road fill for 1.377 acres, to be used for the same purpose.

Both parcels of land are located in the north part of the county and formerly belonged to Stanley Blackburn. The smaller parcel was swapped back to Blackburn for the larger parcel.

The guests then will attend the West Texas State-Texas Western football game at Buffalo Bowl at 7:30.

In other action, the Chamber board Monday night accepted the resignation of board member Jack Jennings. No replacement has yet been named.

Benny Cooper told the board that his retail merchants committee plans several changes in the annual Christmas promotion here.

Fulton, Chamber Manager Roland Black, H. R. King and Dr. Paige Carruth were appointed to a committee to select the Chamber banquet speaker for next year.

Wednesday morning Chamber board members attended a breakfast to hear Ralph Duncan, West Texas Chamber representative, outline plans for a community clinic to be held here Oct. 27-28.

Parish Dinner Slated Oct. 18

Annual St. Ann's parish dinner will be held in the Rex Reeves Elementary School Sunday, Oct. 18.

Dinner will be served from 11:30 a.m. to 2:30 p.m. and tickets will be sold at the door only. Admission to the catered meal will be \$1.50 for adults, 75 cents for children ranging in ages from 6 years to 12 years, and children under 6 years will be admitted free of charge.

A drawing will be held at the end of the dinner with a free color television and a Shetland pony given away.

The public is invited to the dinner.

Insurance Institute Begins At WT Oct. 7

A five-week Life Insurance Institute, conducted by the School of Business at West Texas State University, will open here Oct. 7, and continue each Wednesday night through Nov. 4.

Each session of the institute is scheduled from 7 until 9:30 p.m. in the Administration Building auditorium, and will feature five area agents as speakers and consultants on phases of insurance salesmanship.

The institute, similar to one held last year, is jointly sponsored by WTSU and the Amarillo Association of Life Underwriters. A certificate from WTSU will be awarded each participant. Registration fee is \$15.00.

Other sponsors of the institute include the chambers of commerce of Amarillo and Canyon, the U. S. Small Business Administration, and the Amarillo General Agents and Managers Conference.

First institute Oct. 7 will deal with "How to Get the Right Start in the Life Insurance Business." Speaker will be Pierce Welty, district manager of the

Three Bufts In Accident Sunday

A "hunting we will go...said three West Texas State University football players who wished they hadn't Sunday afternoon.

Terry Funk, Roy Armentrout and Vernon Kosub ended a hunting expedition at the Funk ranch with a trip to the hospital Sunday afternoon.

The threesome were in Kosub's car when they ran into a ditch about 4:30 p.m.

Funk was placed in the hospital and released Monday morning by Dr. Charles Nester, who reported Funk had suffered a mild concussion.

Kosub was reported as having a tooth knocked out plus a few minor bruises.

Armentrout, leading Buff punter, received a leg injury. Whether or not he will see action in the Saturday game depended largely on this week's workouts. "We hope he will be ready—there is a slim possibility," reported a football spokesman.

Funk will not play in the coming game but Kosub was listed back in the starting line-up.

No Injuries In Accident In Happy

A mother and two of her small children escaped injury Wednesday at noon in Happy in a car-truck accident.

Mrs. Fred Harris was driving north on U. S. Highway 87 when the car she was driving struck a truck, driven by Albert Cook of Dumas.

Cook said he was parked on the west side of the highway and began to pull onto the highway when the truck was struck.

Mrs. Harris and her two daughters, Melody, 3, and Terry, 5 months, were rushed to Swisher County Hospital in Tulla by LaGrone Ambulance.

All three Harris family members were released from the hospital Wednesday afternoon.

LBJ - a Texas Leader for the Nation

Pride in having a Texan in the White House would alone impel us strongly to support Lyndon B. Johnson for election in his own right to the presidency. But state pride, no matter how deeply felt, is not enough. To merit recommendation for the most important and most powerful office in the world, a candidate must possess the qualities and qualifications which clearly fit him for the job.

Lyndon Johnson unmistakably has them. To realize this it is necessary only to look back to the day last November that thrust him into the presidency without an instant's warning, and to recall what has happened in the less than 10 months since. The profound national tragedy which brought about the sudden presidential transition produced shock and uneasiness. It could also have brought near panic—but it didn't. The reason was Vice President Johnson. Here and abroad there was an almost universal feeling of relief and thankfulness that such a figure was standing by to take up the reins of leadership. And relief was followed quickly by confidence.

The Johnson assumption of power and responsibility was swift and sure. Instead of faltering, the country went forward with full and even increasing momentum, economically and otherwise. In the months since, President Johnson has shown a ready grasp of domestic problems and effectiveness in dealing with them. And—what was far more in question—he has done the same for foreign affairs involving delicate and complex problems.

The new President underwent his moment of agonizing decision in the Bay of Tonkin attack, when U. S. naval vessels were twice fired upon. His response was clear-cut and decisive, but carefully calculated and restrained. In it was no hint of impulsiveness or recklessness. To all indications it was action that won the overwhelming approval of the American people, whatever their party or their political attitude.

At home, he has succeeded more than any President we can recall

in bringing both a big segment of the business community and the mass of organized labor behind him. He has done so by being against neither—but by taking the attitude that everyone is entitled to participate in the prosperity the nation enjoys and which he wants to see grow, and that under our American business system higher payrolls depend upon higher volume and profits in industry.

So far in the campaign we have heard little about domestic issues, though undoubtedly we will soon begin to hear more. Except for preliminary mention of his tax-cutting program, Senator Barry Goldwater had dwelt chiefly on foreign policy and what he sees as need for a drastic change in substance and direction. And it is here that he leaves us doubtful—and vaguely uneasy.

Foreign policy, which to most Americans boils down to avoidance of widespread war or nuclear holocaust, is the issue perhaps of most moment to the people of the United States. The economy is booming, employment is high and so are personal incomes, so that there is less concern over immediate pocketbook issues than in some previous elections. Aside from the nagging problem of pockets of unemployment and poverty, the major concern is over avoiding a war of nuclear proportions.

Neither President Johnson nor Senator Goldwater is trying to get us into war. Both aim at keeping the relative peace and preventing the free world from becoming beleaguered and with its back to the wall. The question is which man and what policies are better calculated to lessen the possibilities of war—to provide both the military power and the human judgment that will more nearly insure our safety.

Change there must be in foreign policy, for the keeping of the peace is a constantly changing problem. But there must be continuity as well, else we shall find ourselves standing alone at a time when the nations of the free world urgently need to stand together. If the United

States is to have allies, it can not afford an abrupt change that puts it out of step with other friendly countries or sends them marching off in another direction.

Senator Goldwater symbolizes the desire in all of us at times to strike out boldly and even recklessly against the frustrations of today's world—to settle it all at one blow. That is the appeal of what he advocates. But it can't be done—not without gambling dangerously with our security—and in our hearts we know it. In this age of crises that affect not only us but the world, "sending in the Marines" is no longer the simple, adequate solution.

Up to now, Senator Goldwater's pronouncements on government, economics taxes and other subjects touching the lives of citizens have been chiefly in the philosophical realm. While some of his generalized views may strike a responsive chord, we have no means of knowing how we would regard them when they are reduced to specific proposals. Too, unless he is elected overwhelmingly and somehow, at some time, gets a Congress strongly in accord with his purposes, it is difficult to see how he could do much to alter the tone and direction of government, or undo a great many of the things that have been done. It is possible for a President to be convinced of his rightness and still be ineffective.

Both candidates, as the campaign progresses, are trending toward the middle of the road and may be constrained to do so still more. But we feel this path is one where President Johnson, by natural inclination, can travel far more comfortably. Certainly it is one to which his opponent is less accustomed, and one from which many of his most ardent followers will be trying to pull him away.

The Star-Telegram's views are basically conservative, though it tries to examine each question on the basis of merit rather than according to any ideological "party line." In this case it agrees with the thinking of the group of prominent business leaders which recently declared for President Johnson's election: "It is the conservative course . . . to follow a man who is a leader and who is leading well."

Queenly Candidates

Happy Homecoming Queen will be crowned Friday afternoon during Homecoming activities preceding the game Friday night. Candidates for the honor this year are Kay Harvey, Jeanne Tiley and Judy Sexton. Student body at Happy High School selected the girl and she will reign during the football game Friday between Happy and Kress in Cowboy Corral.

Cowboys Face Kress In Homecoming Bout

Happy Cowboys face a loss-weary Kress eleven Friday night for the annual Homecoming crowd in Cowboy Corral, but the Kangaroos may prove to be tough riding for the 2-0-1 Cowboys.

Ricky Mantooth's Cowboys hope to down the Kangaroos soundly before an anticipated 6,000 Homecoming fans. Last year Happy rolled past Kress 14-8.

Kress ended last year with a 2-7-1 record compared to Happy's 3-7 season. But Leo Field's team goes into Friday night's game with an 0-4 record this year. They have been picked as fourth in District 3-A.

In pre-season polls, Happy was picked to take the Class 1-B title, and in recent polls, the Cowboys have been selected as fourth in Class B.

However, Kress has faced such tough teams as Petersburg and Idalou so far this season, and may prove to be a powerful group for the Cowboys.

Kress had 19 lettermen return for action this fall, with seven regulars suiting out. The

Wheat Filing Date Is Friday

Friday, Oct. 2, is deadline for wheat growers to file program applications to participate in the 1965 wheat program.

Donald Lloyd, county ASCS office manager, said winter wheat growers who sign up this fall to participate in the 1965 wheat program will be able to change their diversion or overplanting intentions any time during the feed grain sign-up scheduled for next spring.

This is being done so winter wheat growers will have the same opportunity as spring wheat and feed grain grower.

In selecting a cropping pattern based on feed grain program and other information available at sign-up time next spring, according to Lloyd.

Program applications should be made at the Randall County ASCS office.

WT Frosh Open Against NMMI

A troublesome task lies ahead of West Texas State University frosh who travel to New Mexico Military Institute Saturday.

New Mexico Military Institute is a junior college and WTSU will be pitting the young freshman squad against the NMMI Varsity.

The game opens the WT freshman season and will be played at Roswell, New Mexico, at 7:30 p.m.

"They have a good team," said freshman coach Buddy Simpson. "NMMI beat Ranger Junior College earlier this season by one touchdown."

Baker Junior College of California stopped NMMI 21-6 in last week's action.

New Mexico runs a pro-type offense and boast big and fast players. "They are very capable on either the ground or in the air," said Simpson, "and adjust their passing or running game according to who they are playing."

Simpson reported that the WT squad has been looking good during workouts.

"The boys are coming around real well," said Simpson. "We have speed in the backfield and some power runners. The line-men have looked good in drills."

One major injury has been reported for the squad, Jimmy Campbell, who suffered a broken wrist in drills earlier.

"Campbell will be out of action for at least 6 weeks," reported Simpson.

The remainder of the team was reported in good condition with the exception of a few charlie horses and bruises.

Among players who have been performing well in drills are Tim Herspold, Steve Haterius, Donald Jermyn and Joe Lewallen. Haterius has been moved to the Varsity line-up.

Probable starters for WTSU: LE James Fisher 6-1, 200, Pasadena; LT Dave Reynolds 6-2, 220, Houston; LG Charles Ehrhardt 6-0, 210, Houston; C Richard Reneau 6-0, 180, Houston.

RG Ronald Wilcox 6-1, 222, Houston; RT Joe Lewallen 6-4, 240, San Antonio; RE David Szymakowski 6-2, 180, Bethlehem, Pa.; QB Don Jermyn 6-0, 185, Marblehead, Mass.; LH Ronnie Peacock 5-11, 175, Ft. Worth; RH James Jefferson 5-10, 175, San Antonio; FB Tim Herspold 6-0, 195, Perryopolis, Pa.

Moms, Dads Honored At University

"We were well pleased with Mom and Dad Day," said Larry Elms, student association president at West Texas State University.

Approximately 153 parents registered during the special activities honoring parents of University students Saturday.

Mom and Dad Day was sponsored by West Texas Ex-Students, Incorporated and the Student Association.

Over 900 football tickets were sold for the parents, who were special guests at the WTSU-Arizona State University football game Saturday night at Buffalo Bowl.

Special recognition was given during halftime at the football game for parents travelling the farthest to attend Mom and Dad Day.

First place winners were Mr. and Mrs. L. J. Klein of Reading, Pennsylvania, who traveled 1,675 miles. They are parents of quarterback Greg Klein of the Buffalo Bowl squad.

Mr. and Mrs. T. P. Shell-abarger, whose son David is also a WT footballer, traveled 1,458 miles from Santa Clara, California. Mrs. J. L. Bandy of Las Vegas, Nevada, came 1,200 miles.

Also recognized were parents with the most children attending WTSU or who have attended the University.

Included were Reverend and Mrs. Marcus Adair of Canyon; Mr. and Mrs. Harry Hughes of White Deer; Mr. and Mrs. Floyd Shackelford, Hale Center; Mr. and Mrs. Henry Koch, Follett; Mr. and Mrs. Vernon Hall, Pampa; Mr. and Mrs. R. T. Evans, Shallowater; and Mr. and Mrs. Haney Tate of Clovis, New Mexico.

Dr. Marchant Gets Life Underwriter

Dr. Zeke Marchant, associate professor of business at West Texas State University, has been awarded the Chartered Life Underwriter designation by the American College of Life Underwriters.

The designation was granted Wednesday in Cincinnati, Ohio at the college's national conference exercises.

Marchant was granted the C. L. U. designation after passing a series of professional examinations and meeting the experience and ethical requirements of the college. A total of 1,100 men and women received the designation this year, with a total of 12,722 persons having received the award since 1927.

Marchant holds the B. B. A. and M. B. A. degrees from West Texas State and his doctorate from North Texas State University. He has been a member of the WTSU faculty since 1950.

Candidates for the C. L. U. designation spend four or five years in special study classes in colleges and universities approved by the American College of Life Underwriters. Courses of study cover such areas as fundamentals of life and health insurance, group insurance, health insurance, law, trusts, taxation, finance, business insurance, and estate planning.

Troop 31 Sets Court Of Honor

Members of Boy Scout Troop 31 will hold a Court of Honor, Monday evening, Oct. 5, at 7:30. The program will be held in the First Methodist Church.

Boys who have advanced in rank will be recognized at this time, and three Eagle ranks will be presented.

Attaining rank of Eagle Scout at the ceremonies will be Larry Wooten, Stoney Ormsby, and Mike LaGrone.

The public is invited to attend the Court of Honor.

Ann Adair serves punch to Mr. and Mrs. W. E. Ditto of Canado, Texas, who attended the Mom and Dad Day reception at West Texas State University Saturday. The reception was held in the Student Union Formal Lounge and sponsored by the West Texas Ex-Students, Inc. and West Texas State Student Association. Parents of University students were special guests at the WTSU-Arizona State football game Saturday night.

Den Mother Workshop Next Week

A special training course for den mothers will be held Monday, Tuesday and Wednesday, Oct. 5, 6, 7, from 9 to 11 a.m. at the First Christian Church.

Den mothers training course is designed for all new den mothers and prospective den mothers and parents of Cub Scouts.

Training course will cover, pack organization, den and pack meetings, and pack administration. All new den mothers and den mothers who have not yet taken the Den Mothers Training Course are invited to attend. Parents are also invited.

The training course will be conducted by Louis Machuca, district scout executive for the Randall district. Lee Roy Moreland is chairman of the district leadership training committee.

Bands Set To Perform

Phillips and Pampa High School bands will perform at the West Texas State University football game Saturday.

Pre-game marching will be done by the Phillips High School band, directed by Ray Robbins. Pampa High School's band, directed by Fred Stockdale, will perform at halftime.

West Texas State University band, directed by Gary Garner, will also perform during the halftime activities. Featured will be a salute to the visiting team, Texas Western, and a special arrangement of "The Sweetest Sound" to be played from the field.

Arrangements are also being made by the Buffalo Band for two road trips this season. The band will travel to Denton for the WTSU-North Texas State game Oct. 10 and also go to Lubbock Nov. 7 for the Texas Tech game.

New Members In Circle K

Four new members were accepted into Circle K, service organization at West Texas State University, at the meeting this week.

Joe Bailey, senior, Jimmy Adkins, Michael Miller, both freshmen, and Wayne Hughes, sophomore, were approved for membership.

Meeting day was changed for the group from Wednesday at noon to 5:30 p.m. each Monday.

Dr. Lowell Harrison, chairman of the Social Science Division at WT, was guest speaker for the meeting this week. Plans for the Homecoming float were discussed.

season's 13-0 shut-out from Texas Western, will host the Miners in Buffalo Bowl Saturday.

Game time is 7:30 p.m.

Saturday's game will be the 25th contest between the two rivals. Since the series was unleashed, the Miners have snatched 15 wins and WT 9.

"They are a real tough, good defensive ballclub," said scouting coach Clarence Dierking. "They, two weeks ago, tied North Texas State 0-0."

"This last weekend they had an open date to get ready for us, so everybody should be going at full strength."

The Miners use an unbalanced line, straight "T" in the backfield and the "I" formation.

The Texas Western backfield boasts a combination of good weight and speed. "They are big and they can move," said head coach Kerbel. "They

Language Club

Officers Named

Officers were elected by the Canyon High School Foreign Language Club at the first meeting Sept. 22.

Elected to serve were Nancy Hicks, president; Renee Owen, vice-president; Sharon Lisle, secretary; Judy Clark, treasurer; Shirley Gill, parliamentarian; Karen Kievit, reporter.

Following election of officers, setting of dues, and reading of the club constitution, the meeting adjourned for refreshments. Sharon Lisle and Renee Owen served refreshments.

Miss Jan Briggs, French and Spanish teacher, is sponsor for the club.

Winners of door prizes at the Fall Food Demonstration, sponsored by Randall County Extension Service, are, left to right, Mrs. J. C. McClendon, Mrs. Earl Burtz, Mrs. Kelli McBride,

Mrs. Fred Richard, and Mrs. T. J. Myers. Mrs. McBride also won an additional door prize of an electric carving knife at the demonstration.

Extension Service Holds Fall Food Demonstration

The Foods Committee of Randall County Extension Service sponsored the Fall Food Demonstration last Friday at the Farm Bureau Building.

During the afternoon, recipes were demonstrated by Stella Sherwood and Peggy Kimsey, home service demonstrators with the Amarillo branch of the Southwestern Public Service.

Each demonstration was of a meat dish, which was later given as a door prize.

Receiving one of the meat Accident Reported

A truck-car collision early last week resulted in minor damage to vehicles.

A car driven by Jeffrey Lynn Maloney of Amarillo was struck by a soft drink truck, driven by Vernon Dudley Woodall, also of Amarillo, at First Avenue and 23rd Street.

Larry Sexton, city patrolman, investigated the accident, which resulted in \$100 estimated damage to the car and \$10 to the truck.

No injuries were reported.

dishes as prizes were Mesdames T. J. Myers, Fred Richard, Kelli McBride, Earl Burtz, and J. C. McClendon.

In addition, Mrs. McBride also won an electric knife.

Charlie Sumner, assistant manager of Vetesk Market in Amarillo, also was on the program. He explained how to

4-H Unit Is Named Here

A new 4-H unit was formed recently, to be called the "Pioneers".

Officers were elected and plans for the future were discussed. The club will undertake a sewing project for the present time.

Sponsors for the unit are Mesdames R. B. Gist, Jr. and Louis Henders.

Members attending were: Sharon Henders, Gail Thompson, Gale Fletcher, Kathy Gist, Lee Ann Stengel, and Marsha Hager.

University Recordings On Sale

West Texas State University Choral's 12-inch Monaural record is on sale at the Ex-Students, Inc. office.

The recording, "Sixty-four and Before", includes choral music directed by Dr. Houston Bright of WTSU.

Nine of the 19 A Cappella numbers on the record are by WT choirs of the late 50's. The remainder of numbers features choirs of later years.

Most of side 2 consists of music by the 1963-64 University Choral.

Seven choruses composed by Dr. Bright are included, such as August Noon, Winter Song, Kyrie Eleison, Nocturne, Benedictus and Hosanna, I Hear A Voice A-Praying and That's All.

The University Choral is a select choral group of 44 of the finest voices in the university. Members are chosen by special and rigid audition.

"Sixty-four and Before" is priced at \$3.98, plus 15-cents postage if the recording is to be mailed. Orders should be directed to the Ex-Students office located in the Student Union Building.

recognize cuts of meat.

Mrs. O. O. Henry of Happy presided at the meeting. Other members of the committee were Mesdames Lewis Tucek, Ralph Ruthart, Charles Conatser, and Earl Reynolds.

Marsha Hager, daughter of Mr. and Mrs. Weldon Hager, was Randall County's 4-H entry in the Better Bake Show last week at the Tri-State Fair in Amarillo. Awards were presented at the 1964 Rural Youth Day held at the W. M. Gouldy Sales Arena in Amarillo. Presentation of the awards was made during Cotton John's Farm and Home Show. Future Homemakers of America greetings to the contestants were brought by Nancy Hicks, daughter of Mr. and Mrs. Orville Hicks, state FHA president.

CHS Grads Scattered

Canyon High School graduates of 1964 have scattered throughout Texas and the United States.

Out of the 89 students receiving diplomas in late May of this year, 58 of them have enrolled in colleges and universities this fall.

West Texas State University has registered 41 graduates from CHS in the '64 class.

Four young men who recently graduated joined the National Guard for six months service, and four others joined the active service of the Navy, Army and Air Force.

From information received through Canyon High School shows that five 1964 graduates have enrolled at Amarillo College and three are at Texas Tech this fall.

One girl is attending Lubbock Christian College in Lubbock and one '64 grad is enrolled at Texas Western in El Paso.

One boy has travelled to Waco to attend school at Baylor and one girl is in classes at New Mexico State University in Portales, New Mexico.

Two girls entered beauty school following graduation, and one girl is enrolled at Oklahoma State University in Stillwater, Oklahoma. Another CHS coed is at Northwest State in Oklahoma.

"This is about the lowest percentage we have had to attend college in several years," one school official said.

Many of the grads are expected home for Canyon High School's homecoming, Oct. 23, when the Eagles meet Hereford.

Eye Tests Set Today

A free glaucoma detection screening test will be given today, Thursday, in Amarillo, co-sponsored by the Canyon Lions Club.

The test is aimed at tracking down unknown cases of glaucoma, one of the leading causes of blindness.

Tests will be given at the City of Amarillo Potter-Randall Health Unit, 411 Austin Street, from 7 p.m. to 9:30 p.m.

The Panhandle Branch, Texas Society for the Prevention of Blindness, Canyon Lions Club and 7 Amarillo Lions Clubs, are sponsoring the project.

Three area Democratic Party leaders were on hand last Thursday for the opening of the LBJ Democratic Headquarters in Amarillo. From left are Charlie Gibson, Amarillo, campaign coordinator for the 18th District; Bob Lindsey, Borger member of the state Democratic executive committee; and David Matthis, Canyon, who led the Randall County delegation to the state Democratic conventions this year. Matthis served several years as Randall County Democratic chairman but did not seek reelection this year. Marion Bruce, Amarillo, was named to fill the office.

Denny's Electric Is Now Open In Canyon

Denny's Electric Motor Service is now open for business at 1617 Fourth Avenue.

Formerly known as Wirt Electric Motor Service, Kenneth Denny has taken over the management.

"The business includes complete electric motor service, which is rewinding and repairing of electric motors," said Denny.

The business will be open from 8 a.m. to 6 p.m. weekdays and from 8 a.m. until noon Saturdays.

Denny, who has been in Canyon since Sept. 14, said that his family has not joined him here yet.

"We are waiting for our house to be finished in the Money addition," said Denny.

Denny is formerly from Oklahoma.

Men's Formal Rush To Open

Men's Formal Rush starts Oct. 5 at West Texas State University.

Formal rush will continue for two weeks, ending Oct. 17. Bid signing will be Oct. 17 and 19.

"Each of the fraternities will sponsor one party during both weeks," said Interfraternity Council president Mickey Reiter.

"That means there will be five formal parties per week," Parties will be attended by fraternity alumni, members and rushees.

Open rush begins Oct. 19 and ends Oct. 24 with bid signing scheduled then.

University fraternities include Sigma Nu, Phi Delta Theta, Kappa Alpha Order, Alpha Tau Omega and Lambda Chi Alpha.

tronic motor business. Included in his family is his wife, Marylou, 11-year old Lyle, 8-year old Linda and Brian, 6-years old. The Denny's are active members in the First Baptist Church.

Rotary Club Gives Money For Cables

Canyon Rotary Club presented Justice of the Peace Bill Wilson approximately \$400 Tuesday for the Mrs. C. B. Cable fund.

Mrs. Cable and her seven children are trying to move into a home which was donated by several businessmen in Canyon. The home has been remodeled and refinished and the money received will be used to help pay the bills.

More money is needed in order to complete the house by Oct. 7, when the family expects to move into it, Wilson said.

WT Freshmen Buy Beans

Green beans everywhere--except on freshmen's heads! Freshman students at West Texas State University purchased 460 green beans from the Student Association this fall.

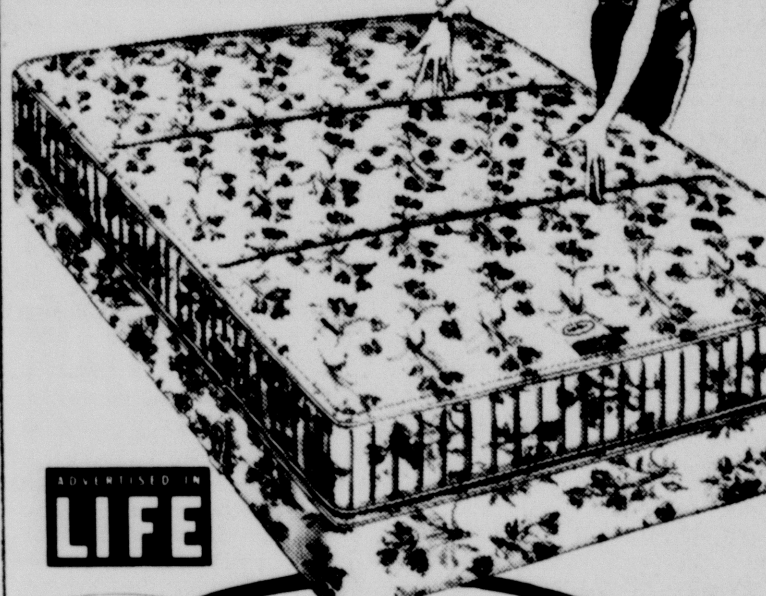

Larry Elms, president, said that the association had started with 506 beans for sale. The remainder of the beans are now on sale at the University Bookstore.

CANYON BUSINESS REVIEW

BUYER'S GUIDE

"Ceramic tile is our only business" is the motto of George's Tile Shop, located at 1717 6th Avenue.

Owned by George Johnson, the tile shop was just moved to Canyon recently from Amarillo.

"We do know our business," said Johnson, who has had 33 years of experience with tile work.

"I began work in this business in 1929, and had Amarillo Tile and Marble shop in Amarillo six years."

George's Tile Shop does work for all building contractors and does repair work, such as re-grouting older baths. "We like to do repair work," George said, "and we will give free estimates."

Ceramic tile is durable, colorful, easy-to-clean and versatile. Once common only in kitchens and bathrooms, tile is now used for patios, terraces, swimming pools and outdoor fireplaces and barbecues. It lends itself to the new, casual type of living which has become predominant in the American way of life.

Available at George's Tile Shop are tiles of any price range and any kind.

"Art students or any persons

interested can find small or large pieces of tile, glass mosaics, grout, all necessary tools and any information they would like to have here," George said.

"We have forms for ash trays, bowls and other things made of copper which may be made into mosaic pieces. All tile is immediately available."

George's Tile Shop covers the entire Panhandle area. The shop is open any time and appointments may be made by telephoning OL 5-4663.

The Johnson family, recent members of the Canyon community, include George, his wife, Alene, and sons George and Johnny, who attend Junior High.

ASU Bombards Buffaloes 34-8

BY LYNZA CARADINE

"T" meant "trouble-plus" for West Texas State University gridders after Saturday's 34-8 loss to Arizona State University.

In the night battle waged in Buffalo Bowl, "T" first stood for quarter two when Arizona State climbed to a 27-0 lead.

And "T" meant quarterback John Torok who passed to halfback Larry Todd for three Sun Devil touchdowns.

It also meant loss number two for the Buffaloes, who face Texas Western in Buffalo Bowl this Saturday at 7:30 p.m.

Arizona State mentor Frank Kush in pre-game press releases had wept bitter tears into the crying towel with his well-published "if we look back we'll be gun fodder" statement. He was referring to last week's Arizona State romping of Utah State, 24-8.

The Sun Devils certainly weren't looking anywhere but ahead when they took the field against WTSU Saturday.

Arizona State scored and stomped for 219 yards passing, 133 yards rushing. West Texas State's Buffaloes gained 88 ground yards, 103 through the airways.

Take away second quarter action and the Buffaloes can call it even-play. West Texas State's eleven tallied once in third quarter action and Arizona scored in the fourth period.

The only Buff tally was scored with 1:29 left in the third period. Arizona's Chuck Kolb punted on 4th down and 9 and Tony Waters took the ball at the Arizona 43.

Earl West picked up a yard around left end, fullback Brian Deady got to the 30 and Bill Bundy hit Deady with a screen pass to the 13.

West charged up the middle to the AS 4 and Deady hit for 2. The Sun Devils were penalized back to their 1-yard marker before quarterback Bundy leap-

ed over offensive and defensive men to tally. Bundy's pass to George Allen was good for two points to give the Buffs 8, Arizona State 27.

Sun Devil scoring in second quarter play opened on a Torok to Todd pass, 12:15 left on the clock. Rick Davis kicked from the 15-yard line following a 5 yard penalty, but the conversion was blocked by Butch Walterscheid.

Right half Ben Hawkins scored with 10:24 left in quarter two after he grabbed a Roy Armentrout punt and zig-zagged for 52 yards and the touchdown. Davis kicked good for the 13-0 lead.

Torok hit Todd on a 26-yard pass for the third tally. A conversion passing attempt, Torok-Todd, failed.

The passing performance was repeated with 1:29 showing on the pre-half time clock. Torok hit Todd for a 35-yard score. Torok passed to Hawkins for 2 more points.

The Sun Devils, held scoreless in first and third period play, tallied but one other time, that coming in the fourth quarter. Halfback Hal Lewis scampered 13 yards for the 6-point and Davis kicked good.

Buffalo rushing statistics were from Deady, 11 carries for 32 yards; West, 6 for 29 and Bundy, 7 for 18.

Bundy attempted 25 passes, completed 12, had 1 intercepted and netted 103 yards. Waters caught 5 passes for 38 yards and West 3 for 17.

For the Sun Devils, rushing yardage came from fullback Jesse Fleming, 16 carries for 89 yards; halfback Gene Foster, 17 for 65 and Lewis, 3 for 19.

Quarterback Torok attempted 20 passes, completed 13 and netted 196 yards. Top pass receiver was Todd, who snagged 9 for 127 yards and 3 touchdowns.

WTSU punted 7 times for a 41-yard average, ASU 5 times averaging 35.2.

NO. 33...JAMES WILLIAMS... HALF BACK...6-2, 185.....

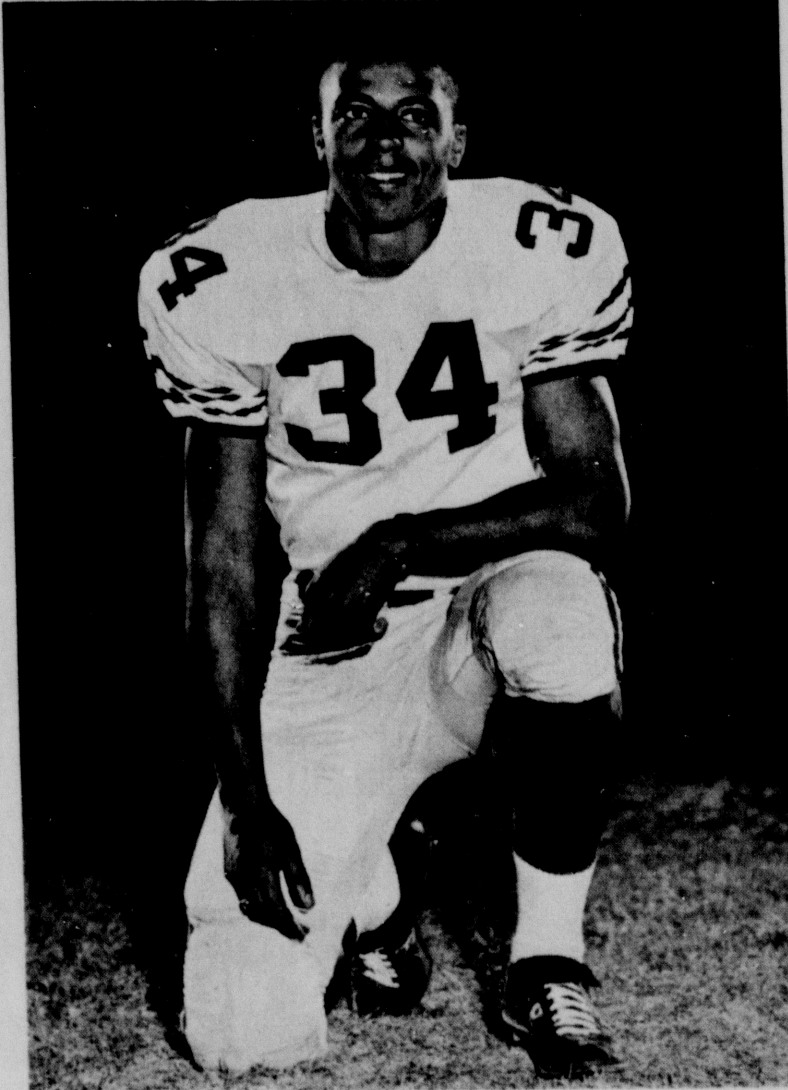

Junior from Los Angeles, California. James is a fine half-back prospect who won a starting spot in spring drills. In the opening WT-Ohio football game James carried the ball once before being injured badly enough to keep him out of the Arizona State game Saturday. This season Williams is faced with the task of filling the shoes left

by Pistol Pete Pedro. James has fine speed and good running form. His performance in the Alumni game makes him appear to be a real key to the WT running attack this season.

James won the MVP award last year at Los Angeles Valley Junior College, also a two-year letterman award. He majors in history, would like to teach after playing pro-ball. Hobbies include tennis, horseback riding and skating. He is single.

AMARILLO BACK

NO. 34...EARL WEST...HALF BACK...6-2, 190.....

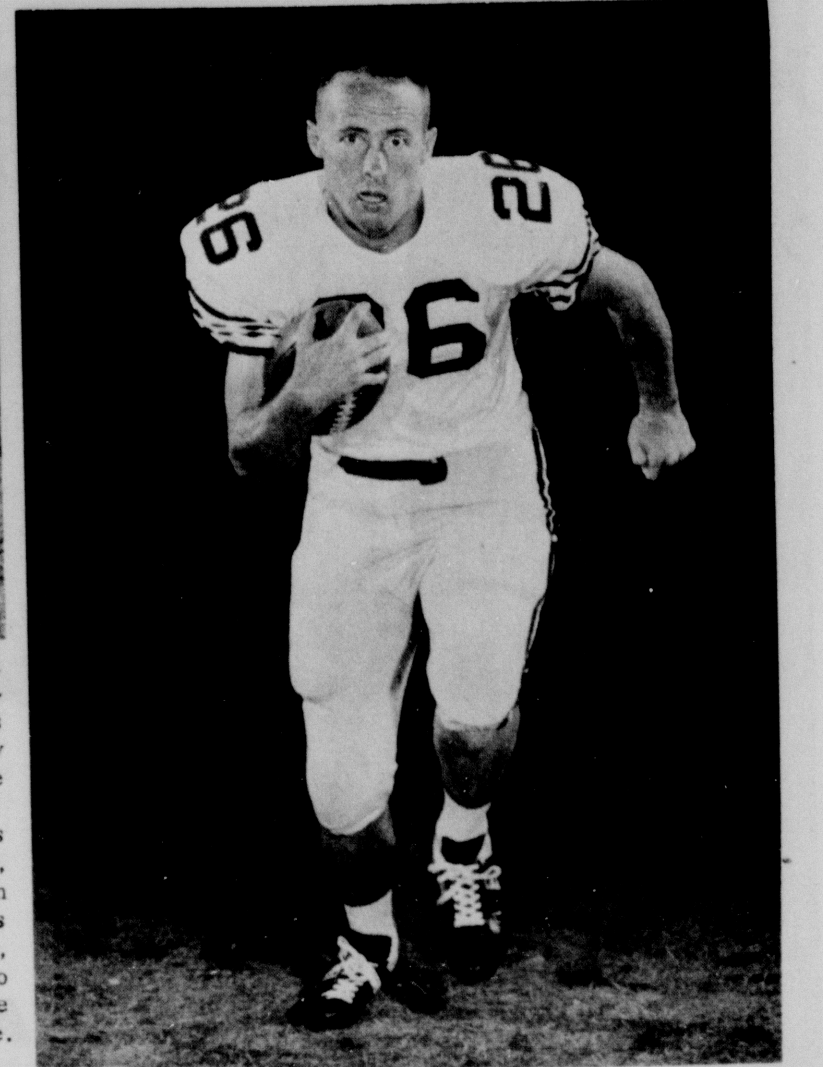

Senior from East Orange, New Jersey. Earl had a fine '63 season, averaging 3.5 yards per carry. He played great defensive ball at the right corner position and will start there this fall. He has all the equipment to become a defensive back in the pro ranks and is being watched by the scouts. After the football got underway at WT this

fall, Earl has proven to be exceptionally valuable in the offensive right half spot. He has excellent speed and runs very hard, is needed both on offense and defense this season.

Earl was State high hurdles champion in New Jersey in 1961, high school. He is majoring in elementary education and plans to teach. In addition to teaching, he would like to play some pro ball. He is a member of the WTSU "T" Club. Earl is single.

NO. 26...DENNIS FLANAGAN... HALF BACK...6-0, 169.....

Senior from Garden Grove, California. "Flash" came into his own this spring and was one of the Buffs' leading ball-carriers, running the sweeps and off tackle plays for plenty of yardage. He has also been one of the best defensive safeties on the club. This season his performances in fall drills won him a starting spot at left half. "Flash" is one of the hardest-

Phillips Plucks Eagle Team 39-7

A hard-fighting Canyon Eagle football unit fell to power-packed Phillips 39-7 Friday night in Buffalo Bowl.

Canyon tallied the first points scored against the top-rated Blackhaws this season. Phillips had held its three previous opponents scoreless while totaling 126 points.

Canyon's season record now stands 0-3, after Eagle losses to Floydada 9-7, Levelland 41-0 and Phillips.

Next opponent is Childress at Childress Friday night, game time 8 p.m. Canyon then travels to Olton Oct. 9 before the Oct. 16 open date.

Determination marked the play of the 1-AAA Eagles, picked as underdogs in Friday night's non-conference battle with Phillips.

The Canyon squad held the Blackhaws scoreless in first quarter play and allowed only

one tally in the third quarter. Phillips scoring came in the second quarter with 21 points; third quarter, 6; and fourth quarter, 12.

Canyon's single score resulted from a 2-yard touchdown scored on a drive beginning with a recovered Phillips fumble at the Blackhawk 30.

The fourth period clock read 2:35 when Phillips fullback Billy Flanders dropped the ball and Eagle Wilson Howard pounced on it at the 30.

On first and 10 quarterback Tom Lair connected with Joe Moore to move the ball to the 15 and a penalty pushed it to the 10. Moore grabbed 6 and 2 yards before battling down the middle for the TD. Wayne Colling kicked the extra point to give Canyon 7 points with 1:01 left in the game.

Scoring for Phillips began in the second quarter with quarterback Cloyce Purcell making the opening score. Purcell, unable to hand-off the ball, hurried his interference and Canyon defenders and scampered 12 yards to tally. Rocky Clark kicked the extra with 9:41 left in the quarter.

Time remaining was 4:24 when Blackhawk halfback Lynn Johnson shot less than a yard through Canyon's line for the second TD. Clark's conversion was good for the 14-0 lead.

On first and 10, wingback Alfred Graves charged 45 yards for another six-pointer. The play came after a Canyon pass from Lair was intercepted by Duke McKee on the C45. Clark kicked good with 3:12 remaining before halftime.

A toughened Eagle defense held Phillips to one score in third period play. Three times the ball exchanged hands before Phillips quarterback Larry Lewis threw an aerial to Hank Boykin who travelled 6-yards and scored. Clark's kick failed.

Phillips, using second unit fullback Billy Flanders, grabbed 7 yards and another touchdown late in fourth period action. Quarterback Bobby Banes' conversion pass fell incomplete in the end zone.

The Blackhaws final tally came on a 52 yard scamper by Flanders, who headed to the left side of the field, reversed to the right side and outmaneuvered tacklers and crossed the goal line. Clark's attempted 2-point conversion failed for the 39-7 final score with 40 seconds left.

NO. 16...BILL BUNDY...QUARTERBACK...6-2, 175..... Senior from Boerne, Texas. Bill took over the number one signal calling slot in spring drills and has held it since then. He injured his shoulder in fall workouts but was able to go in the first game this season. He was principally a defensive man last season before a knee injury took him out of action. Bill has shown improvement every day since coming to West Texas. Bill had an all-around sports career in high school, lettering in four sports. He has been active in intramural sports at W.T. Hobbies and interests include fishing, hunting, swimming, diving, tennis, music, reading and just being out-of-doors. He majors in physical education and biology and plans to coach. He married last December.

NO. 41...RUSSELL MUNDY... FULLBACK...5-11, 205.....

Senior from Harrisburg, Pennsylvania. Russell, out with injuries most of last season, has regained the form that made him one of the most feared runners in the Southwest. Power and balance are his keys, and Russell opens up an opponent's line like a bulldozer. He has been referred to as "Earthquake Man". After jarring Ohio U. in the first game this season,

Russ emerged with an injury but the Buffs are hoping he can stay healthy during the long season. He is the mainstay of the WT running attack for 1964, and also one of the best running blockers anywhere. Russ is a sociology major, but undecided on plans following college. He is considering a trip to the pro-ranks and would make a good addition to anybody's roster. As a hobby Russ lists "listening to jazz". He is single.

Favored Owls Fall To Cowboys, 24-16

BY MARGO WILLIAMS

Feathers flew in Cowboy Corral as the Happy Cowboys plucked the Silverton Owls Friday night, 24-16.

Fullback Jim McManigal added the extra push throughout the game in Cowboy Corral before approximately 2,000 fans.

Following a scoreless first quarter, quarterback Gary Culp took to the air on a second and 10 and hit end David Penn for the first tally of the game.

Penn took the skin on the 24 and romped across the goal line. McManigal carried through the middle for the extra points and Happy led 8-0 early in the second period.

The two teams battled in mid-field but were unable to penetrate until Happy received a punt from the Owls mid-way through the period.

Culp carried the ball to the Happy 45 on the return, and Joe Johnson carried for a gain of 6 on the first down. McManigal took the handoff from Culp on the second and drove to the 39 for the first tally of the game.

The big fullback carried again for a gain of 4 and Johnson took on the 35 for a gain of 5. With less than a yard for the first, Culp went over the center for the first, and the ball rested on the 27.

McManigal carried to the 9 and an Owls penalty put the ball on the 4. McManigal took the handoff and tore through the line for the second Happy score. Johnson ran around right end for the points. Happy led 16-0.

Owls took the kickoff and 15 plays later trotted across the goal line for the first Silverton tally. Max Garrison drove from the 4 for the score, and a pass from quarterback Greg Towe to Garrison cinched the 8 points.

But the Cowboys weren't down, and from the 35 on the first play, Happy moved the ball downfield for another touchdown as the quarter buzzer sounded.

Tom Moudy, senior halfback, carried for a gain of 3 on the first down following the Owls kickoff. McManigal picked up 2 on the second, and Culp carried to the Silverton 46 for the first down.

Mark Maynard carried on the first for a gain of 3, and when McManigal got the ball on the handoff, he romped 43 yards for the third tally for Happy. He darted across the line for the 2 points. At the opening

of the fourth quarter, Happy led 24-8.

Again the ball changed hands several times before the Owls were able to hit paydirt.

Happy failed to make the needed yardage on their own 46 and Silverton took over. A pass from Towe to Howard Tomlin put the ball down on the Happy 38 for a gain of 8. Garrison carried for another 2 and Towe ran around end for another 11. With another first and 10, Towe attempted two passes on the 25 but they fell incomplete.

On the third down, Towe ran for a gain of 11 before Wayne Stevens dropped him on the 14.

A pass from Towe to Garrison put the ball in the end zone for an Owls score. Towe carried the skin over and the board read 24-16.

Neither team crossed the goal for another rally before the final buzzer rang.

The Cowboys made only 10 first downs compared to 15 for the Owls. Culp attempted 7 passes and completed 4. Towe for Silverton took to the air 16 times but only 6 were completed.

Silverton received three penalties and Happy had none.

Happy led Bill Hines' Owls in yardage gained. The Cowboys moved the ball 268 yards and lost only 15. The Owls moved the ball 221 yards and lost 16 yards.

McManigal carried the ball for an average of 3.8 yards in the first half, and 7.3 average in the last half. Moudy carried for an average of 3.6 yards in the first half and only 3 yards in the second.

Johnson averaged 1.5 yard in the first half, and 6 yards in the second. Culp averaged only 2 yards in the first half, but tallied 8.5 yards in the second.

Gary Via played an outstanding defensive game Friday with strong support from Larry Stevens, Richard Todd, David Todd, Frank Venhaus, Loyd Rahlfs, James Haley, Johnny Zachry and Mark Maynard.

Kicker Randy Johnson did the toting for Happy.

Happy meets Kress next week in Cowboy Corral for the annual Homecoming game. The game will be played at 8 p.m. with homecoming activities beginning at 2 p.m. in Happy High School.

Canyon Frosh Stop Happy Eleven 28-0

Canyon High School Freshmen footballers outscored Happy 28-0 last Thursday at Happy.

Scoring was scattered throughout all four quarters of play. According to coach Gary Steinberger, two touchdowns came when quarterback Andy Moreland tossed roll-out passes to left end Avery Thrasher who scored both times.

One touchdown came from left half Teddy Walker and the other scoring was done by quarterback Moreland.

Two extra points came from the kicking toe of Ronnie Russell. Moreland passed to right end John Harper for 2 more points. Another conversion kicking attempt failed after a poor ball snap.

"The boys looked pretty good," stated Steinberger, "but you have to take into consideration that Happy had only 13 players."

"Our offense looked real well and the defense looked pretty good. We didn't look as good as we should have because we had a lot of penalties."

Steinberger took 34 players to the game. "I played all the boys as much as I could," he said.

According to Steinberger, the Canyon frosh squad is changing offenses this week from the "I" to the "T" formation. They use a 4-5 or a 5-4 defense.

Canyon travels to Borger today to play Austin of Borger at 4 p.m.

"They should be a tough bunch," said Steinberger. "They gave us a pretty good romping last year."

"Borger runs a straight 'T' formation and their kids are real versed in the fundamentals."

In last week's action the Canyon gridders took a 22-0 drubbing from Houston of Borger in a home game.

"Borger had a good team" said Steinberger following the game, "but we felt we had a good team."

"We just didn't play as well as they did."

"We had pretty good line play. The secondary wasn't too good. The boys just don't react too well on pass defense at all," he said.

"We had three incomplete passes," he continued. Canyon's schedule will be Friona at Canyon at 9 a.m. Oct. 10. The Frosh then travel to Coronado of Plainview Oct. 22 for a 5 p.m. game. Starters for the Canyon freshman squad include ends Avery Thrasher and Jeff Suttle; tackles Danny White and Mike Faulk; center Ronnie Wooten; guards Ben Essary and Ronnie Russell; fullback Wallace Bernard; quarterback Andy Moreland; and halfbacks Teddy Walker and Phil Swartzell.

Listed on the number 2 Red team are Tony Gibson, Mike Johnson, Henry Gill, Ernest Wholen, Bill Widick, Barry Brown, Dwayne Gerber, Fred Jenkins, Burns Olsen, Keith Stevens and Billy Seals.

Members of the fourth team are David McKinney, Butch Davis, Douglas Breitling, Chuck Hester, Maurice Smith, Covey McCaha, Scott Donnell, Everett Willis, Greg Cook, David Tilger and Tommy Fine.

Mrs. Bill Harp
FL 5-0025

Mrs. Walter Mathews is doing fine following surgery last week at Northwest Texas Hospital.

Cub scouts and their parents of our area met last Tuesday night in the Hollywood Baptist Church to hear scout leaders and consolidate Den 3 and Den 6. Monty Stokes and Lewis Machuca from Llano Estacado Council spoke and showed a film. Harold J. Prichard, cub master of Pack 97 presided at the meeting and asked for cooperation. They will be Den 5 and will meet at Hollywood Baptist Church at 4:30 a.m. each Tuesday afternoon. Mrs. Sherrie Cates is Den mother and Mrs. Mary Doss will be her assistant.

Den 6 cubs met Sept. 22. Slide Kits were given each cub who had a birthday during the summer. They were Perry Masterson, Kenny Grimes, Mike Smith, and Garry Cox. Achievements and records were brought up to date. Kenny Grimes had refreshments.

Mrs. Wayne Early and son, David, visited her parents in California.

Lt. and Mrs. Duke Hart from Ft. Bliss, El Paso, spent the weekend with the John Goodwin family. Mrs. Hart is Mrs. Goodwin's sister.

Final Rites For Mr. Megee

John B. Megee, 55, of Allison, died September 23, in Amarillo. He was the father of Mrs. Ima Fae Brown of Canyon.

Mr. Megee was born in Okemah, Oklahoma, and was married to Bessie Yeary, July 6, 1929, in Clovis, N.M. He had farmed in Allison 22 years, and was a member of the Allison Baptist Church.

Interment was under the direction of Kirk Funeral Home of Wheeler, and was in Wheeler Cemetery.

Rev. Cletus Lovelady of Amarillo and Rev. Frank Ross of Wheeler officiated at the services held Saturday afternoon.

Survivors, besides Mrs. Brown, include his widow, a son, George of Placerville, California; daughters, Mrs. Lowesta Barber of National City, California, and Mrs. Arlene Scheller of Panhandle; his mother, Mrs. Stella Megee of Wheeler; sisters, Mrs. Sarah Toodman of Wellston, Oklahoma; Mrs. Mary Pierce of Wheeler, Wisconsin, and Miss Myrtle Megee and Mrs. Wanda Bettis of Oklahoma City, Oklahoma; brothers, Ernest of Guthrie, Oklahoma, and Ralph of Dalhart, and seven grandchildren.

Hams may be labeled either, "cook before eating," "ready to eat," "fully cooked." If a half ham or slice no longer has the original label, ask if it's cooked or uncooked. Although "ready to eat" ham is cooked and probably safe to eat as is, the flavor and texture are improved by heating to serving temperature. "Fully cooked" ham does not need reheating.

Potter-Randall County Medical Society.

Blood tests will be given at the Randall County Courthouse Oct. 19, 20 and 21, from 6:30 p.m. until 9:30 p.m.

People taking the tests are requested to wait two hours or longer after eating a meal before having the test made.

"Waiting two hours after the meal is not absolutely necessary, but we would prefer it because the test will be more accurate," said Dr. Jim E. Russell of Neblett Clinic.

The test will be free of charge for four main groups of people.

Groups include individuals over age 40, blood relatives of known diabetics, the obese and parents of babies whose birth-

weight was 9 pounds or more.

"Volunteers will be at the courthouse to get the history of patients plus information as age and weight when they first arrive for the test," said Dr. Russell.

"Three technicians from the state laboratory in Austin will take the blood tests."

A sample of blood will be taken from each patient and used to run the blood test. Blood samples will be sent to Austin to be tested on an auto-analyzer then the report will be returned to each patient's physician.

Physicians will notify their patients if there is danger of diabetes.

"The reason for the test is to allow the State to compare

the instance of diabetics in an area where there is a high percentage of mixed racial groups to an area such as this county, where there is a small racial mixture," said Dr. Russell.

Posters will be placed at various businesses in Canyon announcing the drive and children will be given handbills to take home to their parents.

According to a new release from the State health department, approximately 200,000 Texans are diabetics today, with one-half of this number unaware of their condition.

Diabetes is the eighth leading cause of death in Texas now, after being the twelfth leading cause ten years ago. One of the tragic complications of the disease is blindness.

The Diabetic Detection Drive is planned to allow early detection of diabetes so that proper medical treatment may be given before the disease becomes complicated.

Knotts Attend English Shakespearean Festival

Visiting the Shakespearean Festival in England highlighted a summer trip for Dr. and Mrs. A. K. Knott.

According to Dr. Knott, who is head of the English department and Humanities division, he and his wife travelled with the modern language group.

"We flew Air France from Houston to Paris," said Dr. Knott.

The Knotts spent one week in Paris and were in England and Ireland for four weeks. They were in London and Stratford for the plays.

This was the Knott's fourth trip to England.

"This year was the 400th Centennial of the Shakespeare Festival, which began in 1464," said Dr. Knott. "It is presented at Memorial Theatre and sponsored by Birmingham University."

Dr. Knott said that the theatre in England is subsidized by the government and has a more prominent place in the life of the people than it does here.

Tickets to performances at the Festival must be obtained in February or March for the summer presentations.

Dr. Knott estimated that approximately 100 regular staff members and 50 actors and actresses were on the full-time payrolls of most theatres.

Beautiful costuming and exceptionally fine actors and actresses are featured in English theatres.

Dr. Knott and his wife travelled by bus most of the time in England. "The English has transportation is wonderful," said Dr. Knott. "We must have travelled hundreds of miles by bus, and we also did a great deal of walking."

From England, the Knotts sailed across the Irish Sea to Ireland for a visit before returning home.
